On behalf of the Harrison Recreation Commission, we want to thank you for your participation in the Fourth of July Parade. Here are a few rules to note when planning your group's arrival at the Community Center for the parade.

**Staging Number** – This will be e-mailed to you prior to the parade date and will also be posted on the city's web site, [www.harrisonohio.gov](http://www.harrisonohio.gov) . This will be your parade order. Please see map below to find your staging spot. There will also be volunteers on the grounds to direct you to your spot.

## **Day of Parade**

**All parade units – Please enter the Community Center from the Etta Avenue entrance.** Take Broadway to South Elm Street, turn onto South Elm Street (it only turns one way). Then turn left on Etta Avenue which will take you into the Community Center. Once in the community Center proceed to your staging area.

**Parade Participants** - If you are dropping off someone for the parade, please drop them off at the intersection of George Street and Broadway.

**\*\*NO VEHICLES WILL BE PERMITTED TO ENTER GEORGE STREET\*\***

**Parking for Parade Participants** – There is limited parking behind Harrison Elementary School, as well as on-street parking.

**Staging times: 3:00 PM – 3:45 PM** – Please arrive during this time to allow for staging of the parade lineup. We always have a lot of entrants and it can take some time to get everyone in the correct place.

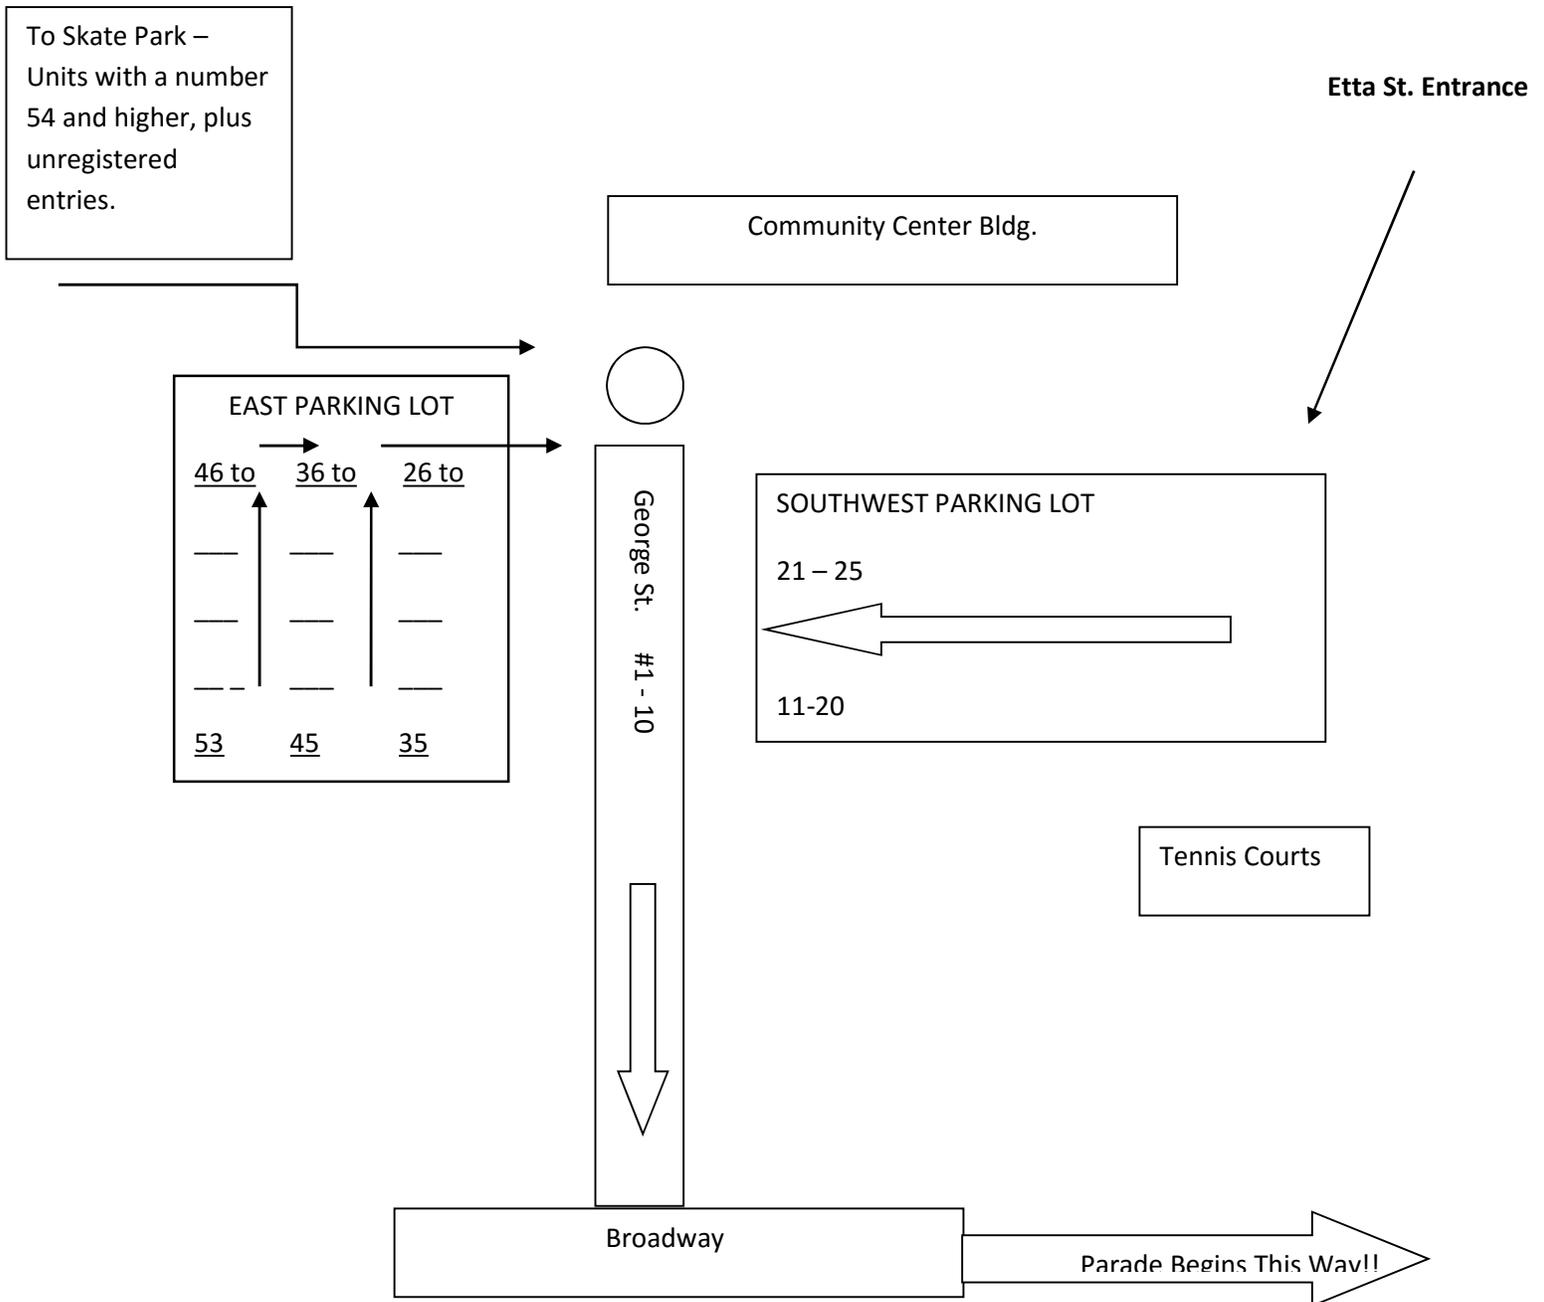

**\*\*\*\*\*Please make sure your unit is ready and IN THE  
CORRECT SPOT by 3:45 PM.\*\*\*\*\***

**\*\*\*\*\* Parade start time is 4:00 PM \*\*\*\*\***

**Please do not show up at the last minute or after the parade begins. It is difficult to get everybody in the correct position when parade entries show up right when the parade is beginning!!!!**

**Parade Route** – The parade begins at the Harrison Community Center at George Street and Broadway.

We proceed west on Broadway to State Street, north one block to Harrison Avenue, then proceed east on Harrison to Washington. That is the official end of the parade. Most participants will then continue south on Washington to Broadway, east on Broadway to George and return to the Community Center.

There are a select few parade units that will assemble directly on Broadway. Those units will be notified by a parade organizer as to where they should assemble. All other parade units – refer to your staging number and this map to find your approximate staging location. Unit number and staging location are subject to change so please be flexible!!
