Deposit Ordinance

939.17 (a)

(6) The deposit for service is required to be paid by residential homeowners and commercial users of water shall be fifty dollars (\$50.00) payable at such time as the user of water service requests such service or at such time as service is actually furnished, whichever occurs first. This deposit may be returned to the customer after one year of good standing as a Harrison municipal water customer. A member of good standing requires that there be a zero balance at the time of request for the deposit to be returned and that at no time has the customer been delinquent in its payments of its utility bills for the City of Harrison.

(7) The deposit for service is required to be paid by renters and leaseholders of property shall be two hundred dollars (\$200.00) payable at such time as the user of water service request such service or at such time service is actually furnished, whichever occurs first.

All deposits will be applied to the final bill. A refund will be issued if and overage of five dollars (\$5.00) or more is remaining from the deposit.
